

## Katana Massage Chair: Assembly

1. Unbox the chair and remove the plastic covering. Take the chair off the pallet, and place it into position.

2. Push footrest into place.

3. Connect 1 electrical connector and 1 airline to the body of the chair.

4. Slightly lift and push footrest into footrest pins. It will click into place.

5. Lift up seat pad and place footrest fabric on Velcro.

6. Press seat pad down.

7. Plug power cord into chair and outlet.

8. Press main power switch to on.

9. Place remote control in remote control pocket.
